Education

Graduated from Puyallup High School	2012-2014
Working toward a Bachelor of Science Degree; Gonzaga University <i>Major: Computer Science</i>	2014 - Present

Work Experience

<i>Product Manager and Salesperson</i> 2014-2017 Responsibilities included the collection and distribution of available products to customers in the Tacoma and Suquamish area between the months of May and July.	<i>Red Devil Fireworks</i>
<i>Food Service Worker</i> 2016-2017 I was responsible for the service and management of food stock in a large scale cafeteria setting working in tandem with full time chiefs and providing service to large numbers of customers.	<i>Sodexo</i>
<i>Gonzaga Student Body Association Information Systems Manager</i> 2017- Present For this school year I am a part of student government and responsible for managing the GSBA website and being a presence in the Student Involvement and Leadership office on a regular basis.	<i>Gonzaga University</i>

Volunteer Experience

<i>Coaching Soccer</i> 2013 I volunteered with the women's varsity soccer program. My tasks included assisting in drill demonstrations, individual coaching, drill set-up, and game substitution assistance.	<i>Kalles Junior High</i>
<i>Mission Trip</i> 2013-2015 Drove to Mexico and constructed a home for people living in compromising housing conditions and provided childcare and other services to the family in need.	<i>Immanuel Lutheran Church</i>
<i>Viking Knights</i> 2012-2014 Served as an ambassador for the school by working at scholastic activities and other public events greeting guests and managing events in teams	<i>Puyallup High School</i>
<i>GEL Weekend</i> 2015 I hosted a prospective student while on campus at the university. Planned and scheduled a weekend for the student and operated in groups to provide a successful experience.	<i>Gonzaga University</i>

Interests/Hobbies

As a computer science student I like solving problems and completing tasks with the help of technology. I have a personal web page I play with in my free time and I enjoy the visual appeal of design. I also really enjoy athletics, either participating or viewing, with friends or fellow fans.
